Class Descriptions

Arthritis Foundation Aquatics Program (AFAP) Level 1: Designed for people with arthritis and related conditions, this program takes place in the warm-water therapy pool (about 92 degrees). Exercise is gentle and non-impact to improve range of motion, endurance, balance, and stability.

Arthritis Foundation Aquatics Program (AFAP) Level 2: A more advanced program compared to the AFAP Level 1 class, the Level 2 class takes place in the group exercise pool (about 87 degrees). The program consists of range of motion exercises, moderate cardiovascular endurance exercise, and relaxation techniques.

Aqua Boot Camp: This high-intensity class combines a cardiovascular and muscle workout using water resistance to build up strength and tone muscles. Participants will burn calories while building strength and flexibility. It is low-impact on the joints because the water will provide cushion.

Aqua Conditioning: This class combines cardiovascular and muscle strengthening exercises using water resistance and some equipment. Challenging yet adaptable for all levels.

Aqua Cross Training: High-energy aqua class that incorporates great music, choreography and advanced muscular training to enhance cardio fitness. Excellent cross-training.

Aqua Dance & Tone: High energy aqua class that incorporates great music, choreography and advanced muscular training to enhance cardio fitness and muscular strength.

Aqua Interval: A mix of high-intensity and low-intensity designed to improve your cardiovascular system, strengthen muscles, improve balance and coordination, and burn calories — all while having fun and staying cool! All levels welcome!

Aqua Run: Participants wear float belts to perform various endurance and interval training exercises in the lap pool. Excellent cross-training for athletes and a great cardio workout for all!

Aqua Soul: Low-impact aquatic fitness class focusing on sculpting/toning, flexibility and balance. Rhythmic, flowing aquatic movements will come alive to soulful music including everything from today's hits to some of your Motown favorites!

Aqua Strong: Athletic-based aqua class focusing on cardio, total body strength-based movements and power. Incorporating high-intensity interval training and plyometrics (with modifications, if needed). This class will utilize equipment to maximize aquatic resistance for all-out power to take you to the next level.. "Aqua Strong"

Aqua Tai Chi: Water Tai Chi couples the benefits of water fitness and the flowing movements of Tai-Chi to improve agility, balance, coordination, energy, focus, and posture.

Aqua Zumba®: Come join the "pool party." This class integrates the Zumba formula and philosophy along with some traditional aqua disciplines. But don't be fooled. This is not your traditional aqua class. Challenge your body as you work against the resistance of the water, moving to your favorite Latin beats.

Cardio Core Aqua: This athletic class brings the power to the pool. Intense cardio and focused core/abdominal exercises will challenge all levels.

DEEP Water Core & More: Combining range of motion, core strength & flexibility exercises, this class will focus on strengthening your core muscles for better balance and stretching to release back tension. No impact on your joints. Perfect for people with Arthritis and other orthopedic concerns. This class is held in the deep end of the therapy pool with flotation equipment. All levels welcome.

Hi Lo Aqua: Enjoy a shallow-water work-out that features high intensity, low-impact conditioning, and high-energy music.

Master Swim Classes: A fee based swim program. This program is intended for recreational, Masters Swimmers & Triathletes. Please inquire at the front desk for details.

Mind Body Motion: The perfect workout for the mind, body, and soul! Safely build muscle and overall strength for greater range of motion and flexibility. Each class incorporates yoga poses for strength and balance while connecting breath and movement. All levels welcome!

Pool Policies

AQUA SIGN-IN PROCEDURE

In order to participate in an Aqua Class in the Group Exercise Pool, you must sign up at the Members Services desk prior to class start time. When you sign up, you will be given a WRISTBAND for THAT CLASS ONLY. Please wear wristbands visibly for instructor to see. **If you do not sign up for the class, you may be denied participation.**

Group Exercise Pool

- Temperature range is 85–87 degrees.
- Maximum class capacity of 25 people

Warm-Water Therapy Pool

- During class times the warm-water therapy pool will be restricted to class participants only.
- It is recommended that use of the therapy pool should be kept under 1 hour.
- Temperature Range is 85–92 degrees.
- Maximum class capacity of 15 people

Lap Pool

- When the lap pool is full (6+ members), only lap swimmers will be able to use the pool.
- Members must share lanes if use permits so. A member cannot deny someone from sharing a lane with them.
- Temperature range is 80–82 degrees.

Spa

- It is recommended that use of the spa be kept to less than fifteen minutes.
- The Spa may close early on selected nights for scheduled maintenance and cleaning.
- Temperature range is 100–104 degrees.

Lightning Policy – Virtua will require immediate closure of all pools in the event that lightning or thunder is present in or around the area. The pools will remain closed until 30 minutes past the last visible lightning strike or episode of thunder.

Equipment Policy – Members are required to retrieve and return aquatic exercise equipment.

Fire Policy – In the event of a fire drill, all members must clear the pools and gather in the emergency exit way and wait for further instruction from aquatics staff.

Pool Class Etiquette

- All spaces in all pools classes are 1st come, 1st serve.
- No reserving of spaces.
- Arrive on time.
- Keep conversations limited during class times.
- Maximum persons in each row should not exceed 7 people.
- Be courteous to fellow members.
- Only members with a wristband participating in class can enter designated pool.

Please review and observe the Pool Policies.
